Terms: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. P. C. Box 775

Dear Friends:

It is again my pleasure to invite you to join us at the Austin Livestock Show. Our Association is again offering for your inspection and buying opportunity thirty-three quality Shorthorns.

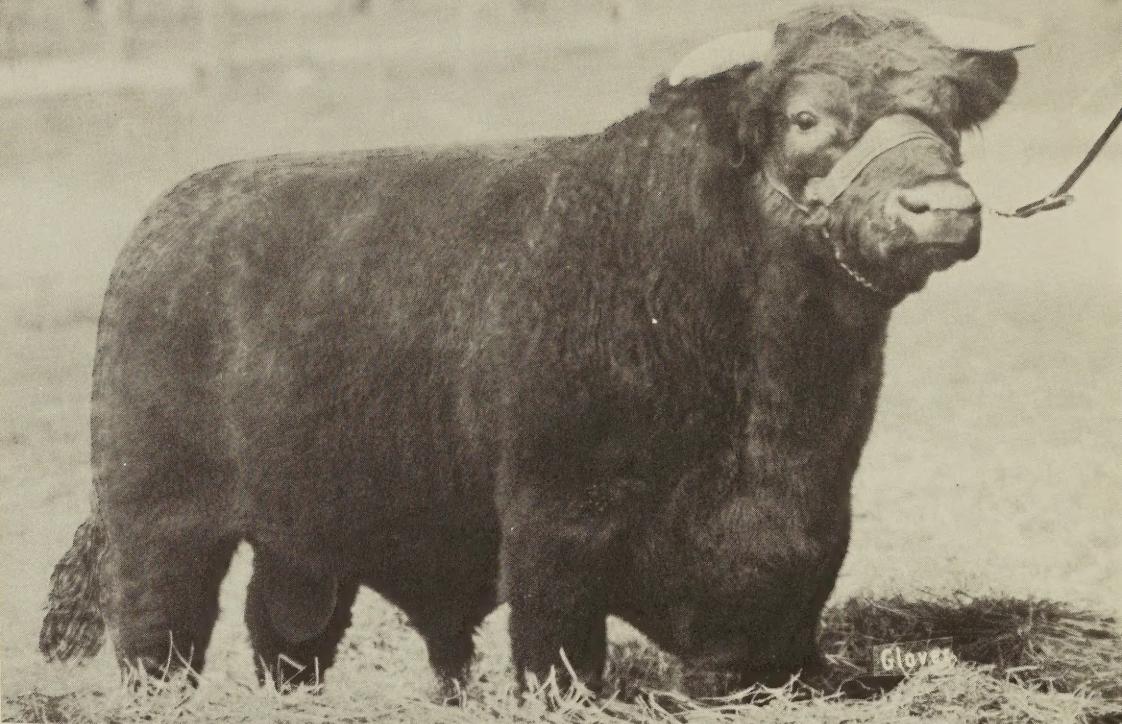

This is our third sale, and as in the other two, the cattle will not be highly fitted, but the conformation and pedigree of each animal will suit those looking for the very best.

In order to attract the high quality cattle we are offering, we have adopted the sale method which has always been used at the great Perth Sale. That is, the seller reserves the right to withdraw the animal at anytime prior to the final bid. I know that no member will withdraw any animal if the bid is anywhere near the worth of that animal.

His sire is a half brother to the famous "Collynie Compact x" that has sired many champions. Among them the World's highest selling polled Shorthorn female. His sire is also a full brother to the former "Lynnwood Stock Farm" herd sire, Fascinator. His Dam was Reserve Grand Champion female in the Nebraska State Fair. She is an excellent individual and a top brood cow. Collynie Archer x is a line bred "Collynie". Every bull in his pedigree is a real improver. This bull should make a real prepotent sire.
